Press Release for Financial Results 30 June 2021

2Q21 proved to be another impressive quarter for the container shipping industry as RCL posted a profit of THB 3.2 billion, 14-time of what was seen in the same quarter last year.

A surge of demand for durable goods and medical supplies, triggered by COVID-19, had continued into the 2 nd quarter. In addition, container and ship insufficiency and port congestion have magnified the impact of this phenomenon. Also, RCL had taken swift actions adjusting deployment to capture the opportunity. As such, RCL raised the volume handled in 2Q21 by $15 \%$ from last year, totalling up to 535,000 TEUs.

The average freight rate per TEU had improved by an astonishing $76 \%$ from the 2Q20. A synchronize development of volume and freight rate had elevated total revenue in 2Q21 to THB 7.9 billion, double that of 2Q20.

Operational cost, unavoidably, has been soaring due to the same synopsis. A charter market rate has reached a historical high. Additionally, 2 Q21 fuel oil consumption was $30 \%$ above 2Q20, while bunker price (in USD) saw a $32 \%$ increase over the same period a year earlier. However, deliberate planning, efficient operation, and deployment of RCL operate vessels had limited an overall increase in the cost of freight and operation to only $25 \%$ or THB 873 million, despite additional ships deployed and numerous extra voyages sailed. These developments in the 2nd quarter had pounded an already outstanding achievement in 1Q21.

For the first six months, the average freight per TEU was THB 14,266, a $68 \%$ hike from a year earlier. With a $10 \%$ increase in volume, RCL recorded THB 15 billion of revenue or $86 \%$ over the prior year. The growth of revenue outpaced a $14 \%$ increase in the total expense. Accumulatively, RCL saw a total profit of THB 6.1 billion in 1H21, from THB 228 million in the same period last year.

The container shipping industry is undeniably in an upcycle. Still, RCL will continue to enhance every aspect's efficiency, ensuring sustainable growth and business stability.

## INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM FINANCIAL INFORMATION

## To The shareholders and Board of Directors of Regional Container Lines Public Company Limited

I have reviewed the accompanying consolidated statement of financial position as of June 30, 2021 of Regional Container Lines Public Company Limited and its subsidiaries, the related consolidated statements of income and comprehensive income for the three - month and six - month periods ended June 30, 2021, the statements of changes in equity and cash flows for the six - month period ended June 30, 2021, as well as the condensed notes to the consolidated financial statements, and I have also reviewed the separate financial information for the same periods of Regional Container Lines Public Company Limited. Management is responsible for the preparation and presentation of this interim financial information in accordance with Accounting Standard 34 "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my reviews.

## Scope of review

I conducted my reviews in accordance with Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with auditing standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

## Conclusion

Based on my reviews, nothing has come to my attention that causes me to believe that the accompanying interim financial information is not prepared, in all material respects, in accordance with Accounting Standard 34" "Interim Financial Reporting".
